

Journey of the Dolphins Lyrics

[Verse]

In a sea of wonder, where the sunlight gleams

Beneath the waves, the dolphins dance and dream (oh-oh-oh)

Their spirits soaring, they glide through the blue

A symphony of grace, their lives brand new (new)

[Chorus]

Oh, the dolphins take flight, their voices in the wind

Together they ride, a journey from within (ooh-yeah)

With every leap and dive, they touch the sky so high

In the ocean's embrace, they find their home, oh, so nigh

(oh-yeah)
